

## #1 High Sierra Falcon Solar 10000mAh Power Bank

The High Sierra® Falcon Power Bank is a rugged solar powered 10,000 mAh Grade A Lithium Polymer battery back up and COB flashlight. With a 5V/2.1A output you can charge our smartphone or tablet at the same rate as a wall charger, Includes a USB to Micro USB connecting cable that can be used to charge the battery backup or be used to charge devices with a Micro USB.

## #3 Yeti Rambler 20oz Tumbler

Rambler® 20 oz. is made from durable stainless steel with double-wall vacuum insulation to protect your hot or cold beverage at all costs. Like the entire Rambler Family, the 20 oz. Tumbler and its lid are dishwasher-safe for easy cleaning. While the magnet on the included MagSlider™ Lid adds an additional barrier of protection for keeping drinks contained and preventing heat or cold from escaping, please note - this magnet component is not leakproof and will not prevent spills.

## #2 Tailgate Party Cooler

- Zippered removable lid
- Easy-access lid with hook and loop fastener
- Reinforced side grab handles
- Sturdy metal frame
- Integrated carry strap for ease of transport
- Metal bottle opener attached to bag
- 50 can capacity

## #4 Microsoft Lifecam HD-3000 Webcam

The LifeCam HD-3000 L2 from Microsoft is a reliable, portable, affordable means of recording video, taking pictures, or web chatting on your computer. This compact webcam records in 16:9 Widescreen 720p HD. Plus, with the built-in noise cancelling microphone, the person you're conferencing with will hear you in crystal-clear audio. It can also take still photos at a resolution of 1280 x 800.

## #5 Titleist Pro V1x Golf Balls

This model delivers a different combination of performance characteristics than Pro V1 and Pro V1x and allows players to finetune their Flight, Feel and Spin.

- Extraordinary distance with consistent flight
- Lower full swing spin than Pro V1x
- Slightly lower flight than Pro V1x
- Firmer feel than Pro V1x
- Drop-and-Stop short game control
